From Rao Bahadur B. Viswa Nath, C.I.E., D.Sc., F.P.I.C., Director of Agriculture, Madras.

To The Additional Secretary to Government, Development Department, Madras.

No.P.2.368/46, dated the 12th April 1946.

Sir,

Sub: TYPEWRITER - Office of the Assistant Cotton Specialist, Siruguppa - Supply - Sanction requested.

There is no typewriter in the Office of the Assistant Cotton Specialist, Cambodia Breeding Scheme, Siruguppa. Till now, most of the returns were handwritten resulting in the dislocation of research work on account of its slowness. The Assistant Cotton Specialist is in charge of Jonna Breeding work at Siruguppa, Cotton work at Nandyal and Hagari also. The correspondence in his office has considerably increased and a typewriter is absolutely necessary. It is also not possible to make use of the typewriter in the Office of the Agronomist, Siruguppa, as the office of the Assistant Cotton Specialist is located in a separate building in the town which is one mile away from the Agricultural Research Station and it will be inconvenient to go to the farm every time the typing work has to be done.

2. I, therefore, request that the Government may be pleased to sanction the supply of a typewriter for the office of the Assistant Cotton Specialist, Siruguppa at a very early date. He has a technically qualified clerk to

handle the machine.

3. Necessary provision has been made in the Indian Central Cotton Committee budget for 1946-47 and the purchase will be a charge on the Committee's funds.

Your obedient servant,
